II. BRANCH CAMPUSES

IUP operates two branch campuses. The first branch was established in September 1962 in Punxsutawney. The following year the Armstrong County Campus in Kittanning was opened. Approximately 225 students are enrolled at the Punxsutawney Campus and 500 students at Armstrong County Campus.

Both campuses have University faculty members who teach full time at the branch campuses. To meet special curriculum needs, other faculty from the main campus travel to the branch campuses.

The branches provide one or two full years of University work which, if satisfactory, is transferrable to the main campus of IUP or to other accredited colleges.

In addition, students may enroll in Associate of Arts programs in Business or Criminology at the Punxsutawney Campus.

III. PURPOSE

IUP has as its purpose the attempt to fulfill that primary purpose of education as stated by Alfred North Whitehead: "It must stimulate and guide student self-

development." This is in order for the student to learn how to make a living and how to live.

The intellectual climate helps develop the students' mental discipline and their contacts help to stimulate their imagination, extend their tolerance, and enable them to make critical and independent judgments and mature decisions.

The motivated student is challenged by being offered a broad perspective in many curricula and yet given the opportunity to study in depth a particular interest.

Believing that self-education is also a most important aspect of any education, the faculty tries to give students both the ability and the desire to teach themselves.

IV. CLASS REGISTRATION

I. GENERAL ACADEMIC INFORMATION

ACADEMIC DISMISSAL

Academic dismissal shall be by the Dean of the College in which the student is enrolled, with notification to the Registrar, Vice President for Student and University Affairs, the Vice President for Finance, the student's advisor, and the veterans' counselor, if the student is a veteran.

ACADEMIC GRIEVANCES

If a student feels that he/she has been treated unfairly by any instructor (this will refer principally to grading policy, but very occasionally may include genuine disagreement in class participation) he/she must try to resolve the problem first with the chairperson of the department in question. If a student is not satisfied with the solution offered by the department chairperson he/she should confer with the Dean of the College in which he/she is enrolled.

ADVANCED PLACEMENT, EXEMPTION CREDIT BY EXAMINATION

Information about the testing programs used for advanced placement, exemption and credit by examination is available from the Academic Services and Testing Center, G-30 Sutton Hall. Specific information regarding advanced placement, exemption, credit by examination, may be found in the Undergraduate Catalog.

ADVISORY SYSTEM

The objective of the advisory system is to provide an opportunity for each student to discuss problems relative to the scholastic work with an instructor in his/her major field. Each student is assigned a faculty advisor by the chairperson of the major department enrolled. To find your advisor, check with your departmental office. A student may consult the advisor throughout his/her program at the University at times posted by the advisor each semester.

CHANGING CURRICULUM

To obtain a change in curriculum, the student obtains an application form in the office of the Dean of the College into which he/she plans to transfer. Changes are processed as they occur.

CLASS ATTENDANCE

Regular attendance is optional although freshmen are encouraged to attend all classes. All students are required, however, to attend classes the first full week of the semester in order to stabilize enrollments and class rosters.

In Basic English, EN 100, Basic Algebra, MA 010, Reading and Study Skills, ED 100, and the elementary foreign language courses (levels I and II), the student will be permitted a maximum of three (3) unexcused absences during the semester. At the discretion of the individual instructor, students who exceed three unexcused absences could receive a penalty up to and including failure in the course.

The advanced course in the ROTC program is excluded from the option of class attendance. More detailed information concerning class attendance may be found in the Undergraduate Catalog.

CUMULATIVE AVERAGE

To figure your cumulative average, please review the example below.

Course	Semester Hours	Grades	Quality Points
English 102	3	D	3
Biology 103 (repeat)	4	C	8
Spanish II	3	B	9
Intro to Art	3	B	9
Physical Education	1	B	3
	<u>14</u>		<u>32</u>

Quality Point Average

Quality Points	<u>32</u>	= 2.28
Semester Hours	14	

University rulings require a cumulative average of 2.0 to remain with the University in good standing. Freshmen are the exception and may complete their first year with an overall 1.8 average at the end of the spring semester. Failure to obtain the required QPA will result in dismissal. Re-entry to the University will be only upon earning the necessary QPA through attendance in summer sessions and a written appeal to the College Dean.

EXAMINATIONS

Examinations are the major means of evaluation of a student's comprehension and work in a course. The number and type of exams is determined individually by each professor, but a final examination during a specified period at the end of each semester is required by University policy.

The type of tests vary from essays to oral exams, but many are of the objective type — multiple choice, matching, true and false, etc.. Many are scored by the computer.

The number of tests are as varied as the types. Most professors like to give three or four throughout the semester. Others prefer many small quizzes to fewer comprehensive exams and pop-quizzes.

FEES

Information concerning fees may be found in the Undergraduate Catalog and are subject to change without notice.

GRADING SYSTEM AND QUALITY POINTS

Detailed information on the grading system and quality points may be found in the Undergraduate Catalog, as well as academic policies.

GRADUATION DATES

Although graduation occurs three times a year — in December, May and August, commencement exercises are held only in May. Students meeting the requirements for graduation are alerted through the Daily Bulletins, College Deans, and The Penn. Students must apply for graduation through the appropriate College Dean who will assure that all requirements are met.

OPPORTUNITY FOR EXCHANGE STUDY PROGRAMS

IUP is the only school in the state of Pennsylvania that participates in both the National and International Student Exchange programs. These programs permit IUP students to study for a semester or year at other schools for no additional cost except travel. Over 100 different locations and programs are available. Consult the Undergraduate Catalog for information or pick up brochures at the Center for International Studies, Keith Hall Annex.

PASS-FAIL POLICY

Please refer to the Academic section of Policies.

REGISTRAR

Services such as obtaining transcripts, adjusting addresses, checking grades and schedules are available through this office (located in G-8A Sutton Hall, Ext. 2216, 2217, or in the Office of the Assistant Registrar for Scheduling, G-8C Sutton Hall, Ext. 2652, 2653).

Students may obtain official transcripts (cost \$2.00 per transcript) by applying in writing to:

IUP
TRANSCRIPT OFFICE, G-8A SUTTON HALL
INDIANA, PA 15705
PHONE: 412/357-2216, 2217

SATISFACTORY PROGRESS

At IUP, a student is considered to be making satisfactory progress when he/she is permitted to enroll in credit-bearing classes in a curriculum leading to a degree or certificate. Such continued enrollment is subject to the academic policies of the institution.

SUMMER SESSIONS

The summer program at IUP is designed to meet the needs of many students. Courses, workshops, seminars, and study tours are offered in various colleges of the University and in numerous fields of study.

Summer sessions are recommended for students who are deficient in quality points for an overall C average in their completed work at the University, as a C average or better is necessary for continuation in the University.

Those who plan to attend summer sessions will be asked to fill out a pre-registration card in the spring. Students who do this are given first preference in courses they wish to take during the summer months. However, it is possible to register for classes as late as the day before a session begins.

Write to the Registrar after March 1 for the special brochure indicating courses and activities in the summer session.

TRANSFER OF CREDITS

Those students who plan to enroll in another institution should make arrangements with the Registrar to see that all their records are forwarded.

Transfer credits from other institutions are evaluated through Academic Services and Testing Center, G-30 Sutton Hall, and the Dean of the College which the student wishes to enter.

IUP students who plan to take course work from another institution must have prior approval before taking the course.

II. WITHDRAWALS

DISCRETE COURSE WITHDRAWAL

Discrete course withdrawals from summer session classes are subject to the regulations prescribed yearly by the Director of Summer Sessions.

Students may also withdraw from classes for reasons of illness, accident, or extreme personal problems. More information may be found in the Undergraduate Catalog.

In processing all discrete course withdrawals, the student must complete a course withdrawal form available in department offices. The form must be signed by both the student and the instructor. Copies are sent to the student's advisor, chairperson, and his College Dean. The College Dean is obligated to notify the Registrar so that posting to the student's academic record can follow.

If a student fails to complete the requirements of a course without processing a withdrawal and if the instructor does not receive a notice of withdrawal from the University, he will assign an "F" for the course.

During fall and spring semesters, graduate students may request authorization to withdraw from a graduate course without prejudice and with a grade of "W" by petitioning the graduate dean in writing by the midpoint of the course as deter-

mined by the published University calendar. The request may carry the endorsement of both the course instructor and the student's department chairperson or graduate studies coordinator, in that order. Graduate students wishing to withdraw from an undergraduate course within the prescribed time period must do so by processing the standard undergraduate discrete course withdrawal form.

For summer term classes and labs, the same midpoint of the instructional period is followed.

Following the close of the established withdrawal period, a graduate student may withdraw from a course, either graduate or undergraduate, without penalty only with the written approval of his/her department chairperson or graduate studies coordinator and the graduate dean (in that order) for such reason as accident, severe illness, pregnancy, or extreme personal disturbance. A student dropping a course under any other circumstance will automatically receive an "F" at the end of the semester or summer term.

INVOLUNTARY WITHDRAWAL POLICY

Please refer to the Campus Rules and Regulations section of Policies.

TOTAL UNIVERSITY WITHDRAWAL

General Procedure: Any undergraduate student withdrawing from the University during a semester or summer session should process an official withdrawal form from the Development Center, 114 Clark Hall. The student will clear with the appropriate offices listed on the form, securing signatures as evidence of the clearance. The withdrawal form will then be returned to the Development Center. Official notification of withdrawal from classes will be sent to each instructor by the Dean of the College involved. No person shall be considered withdrawn from the University until such notice is received.

UNIVERSITY REFUND POLICY

III. LIBRARY FACILITIES

LIBRARY AND MEDIA RESOURCES

The University libraries contain over 530,000 volumes. The holdings in the main library, located in the Stapleton and Stabley buildings, include 370,000 volumes of books, 13,000 in the special collections, 75,000 volumes of periodicals, 1,450,000 units of microfilm, 8,500 phonograph records, 1,000 video tapes, 2,000 films, 11,000 filmstrips, 50,000 slides, 4,000 cassettes, and 250,000 government documents.

Graduate students and faculty doing research may apply for interlibrary loans to supplement the library's holdings. Faculty may request films from our rental sources.

Media Resources facilities and collection are currently divided between two buildings. On the second floor of Stabley, media materials are available for viewing, listening and borrowing. Currently on the lower floor of Davis, Media Resources provide production or photographic materials, overhead transparencies, graphic illustrations, audio and video recordings and equipment lending. The contents of the Resources area are listed in the card catalog in the Media Resource Center on the second floor of Stabley.

Additional libraries are found at Armstrong and Punxsutawney Centers; some University departments maintain small reading rooms within each respective department.

LIBRARY POLICY

Please refer to the Campus Rules and Regulations section of Policies.

IV. CLASS REGISTRATION

Registration for continuing students at IUP is carried out during the semester prior to the actual offering of the classes. During the months of March and April continuing students will report to their major advisors to decide upon class schedules for the following fall semester; during the months of October and November they will decide upon class schedules for the following spring semester.

After consulting with an advisor, the student reports to a central scheduling site according to an assigned scheduling time, where the course selections selected by the student and advisor will be verified at computer terminals. Primary and alternate selections will be made by the student, in order to assure a complete schedule of classes. An opportunity for schedule adjustment will be provided later in the semester.

New freshmen students only will be assigned to their classes for their first semester of attendance on the basis of courses selected on Interview-Orienta-tion Day. Notification of their class schedules will be mailed to these students just prior to the beginning of the semester.

After the student has registered, he/she must go through the proper drop/add procedure at the beginning of the semester in order to change his/her schedule. He/she must obtain a drop/add form from the department chairpersons for such change. After acquiring the necessary approvals, the student reports to the Scheduling Center for validation of the drop/add form. Changes will not be honored without such validation. The student then presents the validated "add" copy to the instructor of the course to be added and, if applicable, presents the validated "drop" copy to the instructor of the course to be dropped.

Students are academically and financially responsible for the commitments to classes for which they registered at Early Registration. A schedule verification is given to the student as he/she leaves the registration area. Students are advised to correct terminal entry errors or other registration errors at that time. Any student who leaves the registration area with a schedule of classes is committed to follow drop/add procedures in order to change that schedule in any way.

Also in existence is an attendance requirement which states that all students are required to attend class during the first week in order to indicate to the instructor their intention to be an official member of that class. Any student who does not verify his/her intention to remain in the class by such first week attendance or who does not file a validated drop slip with the instructor will be continued on the class list and appropriately graded as failed at the conclusion of the instructional period.

II. STUDENT AND UNIVERSITY AFFAIRS OFFICES

VICE PRESIDENT FOR STUDENT AND UNIVERSITY AFFAIRS

The Office of Vice President for Student and University Affairs is responsible for all University student programs and services other than the instructional programs, alumni affairs, conferences, and university relations. Offices include: Admissions, Alumni Affairs, Black Cultural Center, Career Services, Center for Student Development, Educational Opportunity Program/Program for Scholars, Financial Aid, Foreign Student Advisor, Conferences, Health Center, Public Information, Publications, Housing and Residence Life, Sports Information, Student Activities and Organizations, Student Cooperative Association, University Photographer, and University Relations.

ADMISSIONS

Any graduate of an accredited four-year high school is qualified to apply for admission to IUP. Applications may be filed beginning July 1 after the prospective student has completed the third year of his/her high school program. Admission options include full-time, part-time, Summer-January, or Branch Campuses.

Applicants for admission are approved on the basis of an examination of high school records, recommendations of high school principals and guidance counselors, and scores made on the College Board Aptitude tests (usually between 850 and 1450).

An applicant can expect to be notified of the final disposition of his/her application by February 1 after all admission steps outlined on the application forms have been completed and all data required is in the Admissions Office.

The IUP Admissions staff has responsibility for disseminating information relative to admissions requirements, policies, and procedures to prospective students through the Commonwealth. This is accomplished through an ongoing program of visitations to Pennsylvania high schools and community colleges. We also encourage prospective students to visit the IUP campus.

Inquires as to application papers and catalogs should be addressed to: The Admissions Office, 216 Pratt Hall. Telephone: 800/442-6830.

CAMPUS POLICE

Under the Director of Public Safety, the Campus Police, authorized with full police powers, is concerned with the protection of the University community. In addition to protective responsibilities, the Campus Police also maintain as a public service, regular patrols, fire and safety inspections, traffic and parking control and

security services for special events. Campus Police are available 24-hours a day. Their office is located in the south wing of John Sutton Hall, Ext. 2141 or 2142.

CAREER SERVICES

The Career Services Office is open to all IUP undergraduate students, graduate students and alumni. Students and classes are invited to use the facilities and professional staff for assistance in career planning and development.

The primary services of the program include career counseling, assistance in preparing credentials, resume writing, interviewing and the job-search. The office arranges on-campus interviews and maintains a vacancy list of available positions. A Career Resource Library is also available.

Each individual in his/her last year of educational preparation is urged to obtain the forms in the Career Services Office which are necessary to file a set of credentials for employment purposes. Registration for career services is encouraged.

CENTER FOR STUDENT DEVELOPMENT

The Center for Student Development provides the focal point for the Division's activities which emphasize the personal, emotional and physical growth of students and linking these programs with the academic areas in the University. The Center includes health services, counseling, orientation, personal growth and emotional programs, with withdrawal counseling and services for women, handicapped and international students.

The Center (with the exception of the Health Service) is open from 8:00 am to 4:30 pm Monday through Friday and is located on the first floor of Clark Hall.

The Center provides a wide range of resources which enable students to deal more effectively with "early adult" concerns, better meet their personal and academic goals and develop skills for life-long learning. Confidential one-to-one counseling and psychotherapy is available to students. Other services include career exploration, testing and women's programming.

Students coming to the Center will be asked to fill out a brief information form and then an appointment is scheduled to meet with a counselor to discuss concerns. Students can call 357-2621 or drop by Clark to arrange for services. A 24-hour crisis intervention service, in conjunction with the Health Center, is available by calling the Concern Line 357-2567.

The staff consists of professional counselors, psychologists, student development specialists, physicians and nurses.

The Student Personnel Graduate Program Office serves with the Student Development Center as a center for assistance and information for IUP students. In addition, the office serves as the center for graduate students enrolled in the Master's Degree Program in Student Personnel Services through Counselor Education.

It is the initial point for processing total University withdrawal and is the control center for the campus INFO System. In addition, the Director of the Student Personnel Graduate Program is the 504 Coordinator for handicapped services.

EDUCATIONAL OPPORTUNITY PROGRAM/PROGRAM FOR SCHOLARS

The Educational Opportunity Program was created as a result of the Higher Education Equal Opportunity Act 101 passed in 1971 by the Legislature of the

Commonwealth of Pennsylvania. This act provides funds to institutions of higher learning throughout Pennsylvania to develop programs that will make the idea of "equal educational opportunity" a reality for all qualified students. All EOP students are provided assistance in the areas of academic tutoring, career counseling, financial aid information, and personal counseling, as well as academic advisement concerning curriculum and appropriate major.

The Program for Scholars (PFS) began in the spring of 1978. The PFS is designed to identify and attract academically talented minority students and to provide an on-campus program of leadership development and intellectual motivation. The Scholars serve as peer models and assist all minority students to interpret information concerning opportunities at IUP.

Further information on the EOP and Program for Scholars may be received from the Director or any member of the faculty. The main office is in 202 Pratt Hall, Ext. 2729.

FINANCIAL AID

The Financial Aid Office, located at 308 Pratt Hall, offers financial information and counseling to all students attending Indiana University of Pennsylvania. The types of financial assistance offered by the Financial Aid Office include student employment, loans, grants, and scholarships. In most cases, a PHEAA Grant Application is used to determine eligibility for these programs.

EMPLOYMENT provides an opportunity for the student to earn money to help finance his educational expenses. Students may be employed on campus for up to fifteen hours per week. The University encourages students to participate in the on-campus student employment program, as studies have demonstrated that part-time campus employment provides a positive stimulus to students in their adjustment to campus life and maintenance of their academic average. All campus employment is administered by the Financial Aid Office.

LOANS are a form of aid from which a student receives assistance while attending the University. These programs obligate the student to repay the loan funds after he terminates his education. Interest rates normally range to 9%.

GRANTS are funds which carry no obligation for repayment. They are awarded on the basis of financial need.

SCHOLARSHIPS are funds which carry no obligation for repayment. They are gifts awarded to the student on the basis of his/her ability.

Federal aid administered through the University is available for both the regular academic year and summer sessions. The application deadline for upperclassmen for these federal aid programs is normally May 1 for the following academic year. For the summer sessions, the application deadline is also May 1.

Pennsylvania Higher Education Assistance Agency (PHEAA) Grants and Pell Grants are also available for both the regular academic year and the summer sessions. Contact the Financial Aid Office to determine the application deadlines for the PHEAA Grant Programs.

University short-term loans of up to \$200 are available to students whose financial aid payments are delayed.

Specific information about financial aid may be obtained through the Financial Aid Office, 308 Pratt Hall, in the form of the Financial Aid Fact sheet. Financial Aid counselors are available for student consultation on a daily basis.

HEALTH CENTER

Assistance with illness or injury is available at the Pechan Health Center. The center is equipped to treat almost all emergencies. It is located at the corner of Maple Street and Pratt Drive.

The dispensary is well staffed, with physicians available for office hours as follows:

STUDENT CO-OP

I. PURPOSE

II. FACILITIES OF THE ASSOCIATION

III. SERVICES OF THE ASSOCIATION

I. PURPOSE

The Student Cooperative Association is a non-profit corporation which plays a key role in the educational and extra-curricular life of the University Community. Anyone who pays an activity fee, whether student, faculty, or staff member, is eligible to be a member of the association. Generally speaking, almost all campus-wide and extra-curricular activities are sponsored fully or in part by the Association. The Association also operates the Student Union, the Co-op Store, the Co-op Recreational Park, and the University Student Children's Center.

The mission of the IUP Student Cooperative Association is to develop and fund, where appropriate, programs, facilities, and services that contribute to the quality of life of the University community. As a membership corporation, the Association serves its constituents within the context of their relationship to the University. Therefore, its goals are designed to be consistent with those of IUP.

The primary emphasis of the Association is to help meet the social, cultural, and recreational needs of the campus. The individual members and groups of the University community can often satisfy these needs effectively by themselves. However, in many cases, these needs can be met more efficiently through the actions of a collective body such as the Association. In such cases, the Association has an obligation to provide the necessary services to the degree permitted by its resources.

The Association has historically provided IUP with a campus store; a campus union with meeting rooms, food services, game rooms, and other amenities; and outdoor recreational facilities. It expects to continue these services and to add others or refine the present ones as the needs and desires of its members change.

The Association, in cooperation with IUP, develops and provides support for programs which enhance the extracurricular life of IUP. In addition to providing services directly, the Association serves as a vehicle for funding and promoting the activities and programs of other campus organizations that benefit the community as a whole. Staff support for these programs will normally be provided by the University or the groups involved except in programs that are primarily operated at Association owned or operated facilities.

The Association will continue to pursue cooperative relationships with other Indiana area agencies, primarily recreational in nature, with the aim of improving opportunities for its members.

The Association provides an opportunity for the educational experience of becoming involved in the governance of the corporation. This is a significant role which helps students prepare for leadership positions in society.

The Association will continue to consider the development of new services and programs and re-evaluate those it currently supports. It recognizes that as a

fiduciary of student funds, it must channel its resources in a way that provides maximum benefits for the University as a whole.

II. FACILITIES OF THE ASSOCIATION

CO-OP RECREATIONAL PARK

The Co-op Recreational Park is a 270-acre facility owned by the Student Cooperative Association just two miles from campus. The park is a multipurpose recreation area serving many diverse needs and interests.

The two entrances are connected by trails which also go through White's Woods, an adjacent 250-acre nature preserve. The trails are widely used for hiking and cross country skiing. A walk-in tent campsite is located at one overlook point with more planned for the future. (Camping permits can be obtained at the Student Union Information Desk.) Picnic tables and picnic shelters are located along the trails and near some of the parking lots.

IUP community members may also schedule indoor and outdoor meetings, ski downhill, rent garden plots, play softball, and carry out other activities which are limited only by the imagination.

CO-OP STORE

The Co-op Store is located adjacent to the Student Union Building. The store stocks a complete line of textbooks, supplies, paperback books and other requirements for class use. In addition, the shopper will find an extensive collection of records, college wear, stationery, jewelry, sundries and souvenir items.

The store is operated on a competitive basis with all profits from operation reverting to the Student Cooperative Association for use in supporting student activities. Hours are 8:00 am to 5:00 pm weekdays and 9:00 am until noon on Saturday, with additional evening hours at the beginning of each semester.

The Co-op Store is a member of the National Association of College Stores through which many additional services, such as student rate magazine subscriptions are available.

STUDENT UNION

The Association operates the Student Union for the benefit of all members of the University community. Facilities available in the Student Union include Roy Rogers, a fast food restaurant; a social and dance area; a game area offering pool, table tennis and other table games; a music listening area; a large screen TV set; several meeting and activity rooms; student offices; lounges for informal gatherings and study; and the business offices of the Association. Any recognized campus organization may reserve meeting facilities in the Student Union. A major addition to the Student Union is currently under study.

III. SERVICES OF THE ASSOCIATION

CAMPUS RECREATION

For those people who enjoy the great outdoors, the Co-op has a variety of outing equipment for rent ranging from camping and nordic skis to canoes, sail boats and alpine skis. The equipment can be rented by all I-card holders at a very nominal rate, at the Student Union, IUP Smallcraft Base or the Co-op Park Ski

The College Student Union Association, Inc. is a sister corporation to the Student Cooperative Association. The Student Union Association is made up of the membership of all the students and faculty of the University. It is the owner of the Student Union building and the Co-op Store building. The Student Union Association was set up primarily to build and own properties for the use of the members of the Student Cooperative Association.

The official student identification card of the University is produced by the Association. Under the University regulations all students are required to carry their identification at all times. Questions concerning replacement of I-cards may be answered at the Student Union Information Desk, Ext. 2592.

Although the use of the transportation pool is primarily for organizations fully sponsored by the Association, its vehicles are also available for class groups and other campus organizations on an actual cost basis. Inquiries and reservations may be made at the Information Desk in the Student Union.

The purpose of the Interfraternity Council (IFC) is to act as the representative central governing body of IUP's recognized social fraternities. The Council shall promote harmonious relations among its member-fraternities and cooperate with the University and other campus organizations in matters of common interest. IFC coordinates the rush and pledging activities of men's social Greek-letter organizations. IFC also acts as a judicial body for alleged violations of campus or IFC rules or other violations that impair the Greek system. The Council promotes interfraternity competition on athletics, scholarship, music, or any other area deemed advisable.

In order to be eligible to accept a bid and to pledge a fraternity, a student must be a currently enrolled student at IUP and fulfill the requirements set forth by the individual fraternity.

For more information on IUP's social fraternities, please contact a current IFC officer or the Office of Student Activities and Organizations, 104 Pratt Hall.

X. PANHELLENIC COUNCIL

The Panhellenic Council exists to coordinate activities and work in areas of interest common to social sororities on the IUP campus. The Council governs rushing, pledging, and initiation activities of all member-sororities. Procedures and schedules for rush will be published annually by the Panhellenic Council. Any female student at IUP may pledge a sorority. However, a pledge must meet the requirements for active membership in the sorority she wishes to join.

The Council consists of one delegate from each chapter of national Panhellenic fraternities represented at IUP and from such other national or local sororities as may be organized and admitted as members of the Council. The Panhellenic Council elects an Executive Committee, consisting of a President, Vice President, Secretary, and Treasurer, who serves for one calendar year. Nominations are open to any active sister of a member-sorority; however, any candidate for President must have served on the Council for a period of at least one semester prior to her nomination.

Any woman student interested in sorority life should contact one of the current Panhellenic Council officers or the Office of Student Activities and Organizations located at 104 Pratt Hall.

It also promotes the passage or defeat of legislation deemed relevant to the students in public higher education in Pennsylvania. CAS also acts as a liaison between students and the state government, the faculty union, or any organization or individual that affects the state colleges and university.

IUP, the CAS local chapter, operates independently of the Student Government Association. The local chapter coordinator, student government president and minority representative are each accorded voting privileges at the statewide meetings. Any full-time or part-time undergraduate or graduate at IUP is welcome to join as well as actively participate in the Association's activities on the state or local level.

II. GRADUATE STUDENT ASSEMBLY

The Graduate Student Assembly represents the graduate student body's interest at IUP. Composed of elected representatives chosen by the full-time and part-time graduate students of all University departments offering graduate work, the GSA regularly reviews and makes recommendations on both University and Graduate School policies. The GSA serves as an information center for all graduate students.

III. STUDENT GOVERNMENT ASSOCIATION (SGA)

There are 54 members of the Student Government Association. Congress's purposes vary and change as the needs and desires of the student body vary and change. The position of the student government has changed in recent years due to the inclusion of students in the University Senate, but it has remained the most important student voice on campus.

All congressmen are elected at large. These elections are held twice a year, each involving approximately half the congress. Their terms last one year. The president and vice president are elected in the May elections and serve for one year. The other officers are chosen from among the representatives at the first meeting of every semester. They include a recording secretary, corresponding secretary, treasurer and parliamentarian.

Student Government has nine standing committees and several organizational liaisons. The standing committees are Academic Affairs, Budgetary Investigation, Campus Life, Elections, Executive, Public Relations, Rules, Treasury, and Tri-Campus Affairs. The liaisons are with such groups as the University Senate, CAS, the Legal Services Board, and the Black Student League.

The SGA president acts as the official student spokesperson in important meetings with the president, APSCUF and local officials.

SGA plays an active role in campus affairs and also makes recommendations to the administration for the improvement of student welfare. At its weekly meetings, it provides an opportunity for discussion of student problems, bringing the student body, faculty and administration closer together through a frank understanding of mutual problems, and promotes the implementation of policies that will lead to the improvement of the University campus life. Any student in need of SGA's services should call Ext. 2544 and 2594 for information and help. The SGA office is 109 Pratt Hall.

The branch campuses have their own student governments. Kittanning has two delegates and Punxsutawney two delegates who represent their center and vote at all meetings of congress on the Indiana campus.

IV. THE UNIVERSITY SENATE

The University Senate is the body at the University that receives old and makes new policies and regulations affecting the welfare and operations of the entire academic community, special concerns being academic and student affairs.

Organized in 1966, the senate originally was composed of all full-time faculty and administrators at IUP. In March 1971 it voted to give students voting membership on that body. The first elections for student seats were held in September 1971. Now students comprise 27 percent of the Senate, administrators make up 18 percent and the remaining 55 percent is faculty.

Recommendations passed by the Senate are sent to the President and Board of Trustees for action.

The student segment of 27 percent represents the highest percentage of student representation on such a body of all colleges and universities in Pennsylvania. In fact, the large percentage of students on the governing body places Indiana in the top five percent of all colleges and universities in the United States for student involvement on the governing body.

The entire Senate is headed by a chairman, vice-chairman and secretary. Four senate committees most directly affecting students are Academic Procedures, Athletics, Curriculum Committee, and Student Affairs. Both Academic Procedures and Curriculum Committees should be considered most important. They handle matters such as determination of academic probation and anything relating to undergraduate curricula. Student Affairs and Athletics may receive more attention from the student body. They have a wide range of responsibilities from housing and health services to the athletic programs and financial aid.

Occasionally there will be special voter registration days held on campus where you may also register. Each time your local address changes you must notify the County Board of Elections.

II. IUP SPECIAL ANNUAL EVENTS

ALUMNI WEEKEND

Alumni Weekend is scheduled annually near the end of April or first of May. All alumni are invited to take part in the weekend, and those in anniversary classes (fifth, tenth, fifteenth, etc.) are particularly encouraged to participate.

Class reunions, an awards brunch and a dinner dance are all part of Alumni Weekend. Each year, the senior class president accepts on behalf of all graduating students membership in the IUP Alumni Association. Alumni who have made outstanding records in terms of achievement or service are recognized, and alumni ambassadors to several academic departments come to campus to spend time with faculty and students.

ARTIST SERIES

The Student Cooperative Association, in cooperation with the office of the Director of Student Activities and Organizations sponsors a series of cultural programs throughout the year in the areas of dance, music, and theater. The programs are selected by a Student-Faculty Series Committee.

The Artist Series programs are available at reduced rates to I-card holders. Tickets can be obtained at the Student Union Information Desk before each scheduled performance. The Artist Series is funded by the activity fee.

During the past few years the Artist Series has presented such programs as "Annie," the Hartford Ballet, the Bach Aria Group, Pilobolus Dance Company, and "Deathtrap."

CHRISTMAS BAZAAR

The holiday spirit comes alive at the Christmas Bazaar during the first week of December. For two days students and people from the community buy and/or sell various Christmas items in the Student Union. IUP students as well as townspeople are invited to view the many colorful articles.

COMMENCEMENT

Commencement is held once a year in May. December and August graduates may also attend this event which is held in the George P. Miller Stadium. Speakers for past years have been Peter Jennings, James Schlesinger, John Chapman, and Barry Commoner.

HOMECOMING

Homecoming draws more people to campus than any other annual event. Students, alumni and area residents gather for the parade through town, the carnival on campus and the football game at Miller Stadium. More than a hundred units compose the parade, for which campus organizations design and construct floats in keeping with the year's theme. The carnival, sponsored by the IUP Alumni Affairs Office and the Alumni Association, features music, games and food, and provides a convenient meeting place for Homecoming visitors. A traditional conclusion of the weekend is the annual "Old Frat Dinner / Dance," to which all alumni are invited, at the Indiana Country Club.

PARENTS' DAY

Each fall semester, a Saturday is designated IUP Parents' Day. Parents' Day provides parents and friends of students an opportunity to see and become acquainted with the IUP campus.

Activities presented include tours, discussions, special meals, a football game, etc. Entertainment is provided in the evening. Parents are invited to meet faculty and administrators at discussions held by the various schools. The day is a fine opportunity to acquaint a parent with the University. It is under the direction of the Assistant to the Vice President for Student and University Affairs and Director of Conferences.

OPEN HOUSE

This day provides an excellent opportunity for prospective students, parents, visitors to the area, community residents, guests and friends of the University and the alumni to visit, see and seek out information on IUP and its programs. There is an admission hour, campus tour, open house in a residence hall, veterans outreach program and information sessions on campus organizations. Other events include a football game in Miller Stadium and a special luncheon.

THEATRE-BY-THE-GROVE

Theatre-By-The-Grove is the production unit of the Theatre Department. In conjunction with the Student Co-op Association an original musical version of *Everyman* and three plays: *Vanities*, *Roshomon* and *A Flea In Her Ear* are scheduled for the 1983-84 season. During the summer, students have the opportunity to work and perform with artists from regional and New York theaters. The summer seasons consists of three productions to be announced later. Workshops with guest artists are offered throughout the entire year and auditions are open for all productions to students enrolled at the University regardless of major.

POLICIES

I. ACADEMIC

II. AFFIRMATIVE ACTION

III. CAMPUS RULES AND REGULATIONS

IV. JUDICIAL SYSTEM

V. SUMMARY OF INDIANA BOROUGH AND STATE LAWS

I. ACADEMIC

A. IUP GRADE REVIEW POLICY

I. If a student does not charge discrimination on one or more of the bases indicated below, but simply disagrees with the instructor regarding his/her evaluation of the quality of the student's academic work, and consequently feels that the grade that has been assigned should be changed, then the student may discuss the matter directly with the instructor, and if unsatisfied, with the department chairperson, and if still unsatisfied, with the Dean of the College in which the grade has been given. In such cases, however, the decision of the instructor is final, and the student cannot grieve if the grade is not changed.

II. If the student believes that the grade should be changed because its determination has been influenced by discrimination on the basis of religion, sex, race, national origin, color, or handicapped status, then the student may follow the procedure indicated below:

A. The student should first discuss the matter directly with the instructor, and if unsatisfied, with the department chairperson, and if still unsatisfied, with the Dean of the College in which the grade has been given. After that procedure has been followed, if the student still wishes to charge that the determination of the grade has been influenced by discrimination, then the student may appeal to the Provost for the formation of a Grade Review Committee. The student must file an intent to appeal with the Provost within 30 days after grades have been mailed by the Registrar.

B. The Grade Review Committee and its Procedure.

1. On each occasion of a discrimination grievance regarding a grade a University-Wide Grade Review Committee will be established. The Committee will be composed of the Affirmative Action Officer, one faculty member, and one academic Dean or Associate Dean. The faculty member shall be selected on each occasion of a grievance from a pool of seven randomly selected full-time faculty members, with the grieving student and the instructor each in turn to strike three names. The Academic Dean or Associate Dean will be selected from a pool of five randomly selected names with the right of the grieving student and the instructor each in turn to strike two names.

2. When the student appeals to the Committee, it will investigate whether the student has presented sufficient evidence of discrimination to warrant further inquiry. If the Committee decides that sufficient evidence of discrimination exists, then it will investigate whether the grade is appropriate from a procedural point of view, as distinct from evaluating the faculty member's professional judgment about the quality of the student's work.

3. Both student and instructor have the right to appear before the Committee to present their cases. The student may bring one observer, and the instructor may bring one observer. The observers will not participate in the proceedings.

4. The Committee will provide a written explanation of its view regarding the appropriateness of the grade. If the Committee judges that the grade is not appropriate, it will determine what it

believes to be the proper remedy to be applied to the student's academic work. The chairperson of the Committee will do the necessary paperwork. A minority report may be written about the appropriateness of the grade, and a minority report may be written about the proper remedy to be applied to the student's academic work.

- 5 The explanation for the Committee's decision, and, if appropriate, the change of the grade form, made out and signed by the chairperson of the Grade Review Committee, and any minority reports, will be sent to the Provost. The Provost will determine whether or not the proper procedure, as indicated above, has been followed. If he/she is satisfied that the proper procedure has been followed, he/she will implement the Committee's decision. If not, he/she will reject the recommendation and ask the Committee to follow the proper procedure.

B PASS-FAIL POLICY

The purpose of the pass-fail option is to allow a student to take an elective course in a field of his/her personal interest where he/she may be competing with major students in that department. Courses in the student's general education program and his/her major or minor fields are excluded from this prerogative — with the exception that if required courses in the major are completed, students are permitted to take other major courses on a pass-fail basis.

A student shall be given academic credit without quality points for a pass-fail course, providing he/she receives a passing grade in that course. If a student fails a course, it will be recorded as an F grade.

The student should declare his/her intent to choose pass-fail in a particular course no later than six weeks after the beginning of the semester. More information on pass-fail may be found in the Undergraduate catalog.

C WITHDRAWAL GRADING POLICY

- A Students officially withdrawn from the University during the first two-thirds of any semester should be assigned a "W" grade for all courses being taken at the time of withdrawal.
- b Students withdrawing from the University — for any reason — from the seventh week up to two weeks before the end of regularly scheduled classes should be given "WP" or "WF" in each course being taken, with the evaluation to be made by each of the student's instructors. WP's and WF's will be recorded but will not be used in quality point average computation.
- c Students withdrawing from the University — for any reason — within the last two weeks of regularly scheduled classes should be given either a "WP" or "F" in each course as evaluated by the instructor. The grade F obtained in this manner would be used in the computation of a quality point average as in an F earned by a student who does not withdraw from the University.
- d Students withdrawing from the University during any but the last week of a summer session should be entitled to the consideration given in step B.
- e Students withdrawing from the University during the last week of any summer session should be entitled to the consideration given in step C.

D WITHDRAWAL POLICY

I CANCELLATION

Students who have made prepayments to the University and due to circumstances are prevented from enrolling at registration, are entitled to full refund of all fees paid less applicable advance payment deposits. To be eligible for such a refund, the student must notify the Executive Director of Financial Affairs in writing, not later than 30 days after the first day of arena registration. Students who use University residence halls and/or food service the week prior to the start of classes and cancel, will forfeit an amount equal to one week's fee for such services plus the full amount of any advance payment deposit paid.

II WITHDRAWALS FROM THE UNIVERSITY

Students who have been processed through registration and afforded the opportunity to attend class(es) for that session or semester and then find circumstances require total withdrawal from the University are subject to the following:

- A Undergraduate students who withdraw from the University must process such withdrawal through the Office of the Director of the Student Personnel Graduate Program, Clark Hall. Graduate students must process through the Graduate School Office, Stright Hall. The official withdrawal date will be established by the Office of the Director of the Student Personnel Graduate Program (undergraduate) or the Graduate School Office (graduate).
- B Students totally withdrawing from courses, residence halls, and/or meal contracts upon receiving approval from the applicable office (Director of the Student Personnel Graduate Program or Graduate School), will forfeit a portion of the semester charges in accordance with the following schedule

Withdrawal On Calendar Class Day	Percentage of Student's Total Semester Charge To Be Forfeited
1 through 14	20%
15 through 21	30%
22 through 28	40%
29 through 35	50%
36 or beyond	100% (no refund)

The start of calendar class days is defined as the first day of class(es) as scheduled on the University calendar.

Refunds for students receiving financial assistance for scholarships and/or grants will be returned to the source of aid in accordance with the provisions prescribed by the funding source.

- C. During summer sessions, students totally withdrawing from courses, residence halls, and/or meal contracts, upon receiving approval from the applicable office (Director of the Student Personnel Graduate Program or Graduate School), will forfeit a portion of the total session charges in accordance with the following.

Pre, Main and Post Sessions	Percentage of Student's Total Session Charges To Be Forfeited
Through 4th calendar day after beginning of the class	50%
Fifth calendar day following the beginning of the class and beyond	100% (no refund)

Once a student registers for a course, the maximum refund shall be 50 percent regardless of when the class(es) begin.

The Associate Provost (for undergraduate students) and the Graduate School Dean (for graduate students), in cooperation with the Registrar, will determine the official start of classes. Refunds to students enrolled in credit-bearing summer conferences, institutes, workshops, or tours of less than three-weeks duration will be granted a 50% refund through the first day of class (unless a no-refund policy is required by the sponsor).

III. INDIVIDUAL COURSE WITHDRAWAL

NO REFUNDS WILL BE MADE TO FULL-TIME STUDENTS WHO REDUCE CLASS LOAD AFTER CLASSES HAVE STARTED

Individual course withdrawal is defined as a reduction in class load but not total withdrawal from the University. Example: A student who registers for three courses and then withdraws from one or two classes but continues with the other class or classes.

Part-time students (undergraduate students who register for less than 12 credits and graduate students who register for less than nine credit hours) will forfeit a portion of the credit hour fee in accordance with the following schedule:

Calendar Class Day Of Individual Course Withdrawal	Percentage Of Student's Instructional Fee To Be Forfeited
1 through 35	50%
36 and beyond	100% (no refund)

Refunds will be granted only for instructional fee. No refund will be granted to the students who add or drop a like number of credit hours.

Refunds will be granted to students for individual course withdrawals during summer sessions under the same basis as outlined in II-C.

IV. WITHDRAWAL FROM RESIDENCE HALLS AND FOOD SERVICE

Students who withdraw from University residence halls and/or food service will forfeit a portion of the semester charges in accordance with the following schedule:

Date Of Withdrawal From Residence Halls and/or Food Service	Percentage of Semester Fee To Be Forfeited
First day of Arena Registration through 35th Calendar Class Day	50%
36th Calendar Class Day and Beyond	100% (no refund)

Refund schedule outlined under II-C will be followed during summer sessions.

V. OTHER PROVISIONS

No refunds will be granted unless formal withdrawal procedure has been initiated through the Office of the Director of the Student Personnel Graduate Program by the student (or his/her family in special circumstances) within 30 days of the date of withdrawal. Written and dated notice is required

No refunds will be granted by the University to students who are suspended or expelled from classes, residence halls, and/or food service.

The Office of the Director of the Student Personnel Graduate Program (for undergraduate students) and the Graduate School (for graduate students) may request exceptions to these policies to grant prorated refunds when circumstances justify it. Example: Death, medical reasons, or military obligations.

The Accounts Receivable Office, located in the Administrative Annex, is responsible for implementing this refund policy. Students who wish to appeal the decision rendered by the Accounts Receivable Office may do so through the Executive Director of Financial Affairs and/or the Vice President for Finance.

II. AFFIRMATIVE ACTION POLICY FOR IUP

Indiana University of Pennsylvania affirms the concept of human rights and dignity and is committed to provide leadership in taking affirmative action to assure equal educational and employment rights for all persons without regard to race, color, religious creed, lifestyle, affectional or sexual preference, handicap, ancestry, national origin, union membership, age or sex. Respect for the individual in the academic community must not be abridged and abuse, harassment or disregard of a person based on any of these characteristics is particularly intolerable on the University's campus.

Affirmative action will be taken to insure the implementation of this policy in University employment and admissions. This policy and the obligation to provide equal opportunity includes the following commitment.

1. To recruit, hire, utilize, train and promote for all job classifications and to admit and educate students without regard to race, color, religious creed, lifestyle, affectional or sexual preference, handicap, ancestry, national origin, union membership, age or sex.
2. To base decisions on selection, employment practices, employee utilization, job training, career mobility, promotion, program operation and services provided so as to further the principles of equal employment opportunity and affirmative action.
3. To assure that all other personnel actions, such as compensation, benefits, transfers, furloughs, returns from furlough, agency sponsored training, educational benefits, tuition assistance, social and recreational programs, etc., are administered in keeping with the policy, strategies, objectives, goals and time tables of the Equal Opportunity Act and the Affirmative Action Plan of the University

- 4 To create and maintain a work-place and educational climate that is free from discrimination and harassment of any employee or student.
- 5 To create and maintain a work-place and educational climate free from sexual harassment of employees or students.
- 6 To make every effort to increase employment and educational opportunities for qualified handicapped applicants and employees.
- 7 To assure that in offering employment or promotion to handicapped persons, no reduction in compensation will result because of disability income or other benefits.
- 8 To assure that reasonable accommodations will be made for the physical limitations of an applicant or student.

As an equal opportunity/affirmative action employer, this document is applicable to employees/enrollees of IUP under provisions of federal and state laws including Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 503 and 504 of the Rehabilitation Act of 1973 as well as federal and state executive orders. This policy extends to disabled veterans and veterans of the Vietnam era. This document supersedes the August 8, 1975, Affirmative Action Plan adopted by the Board of Trustees.

Overall responsibility for the implementation of the University's affirmative action program and policy has been assigned to Mr. Robert Gaylor, Assistant Provost and Mr. Ronald Bartlebaugh, Director of Personnel at IUP.

Any employee or student having suggestions, problems, or complaints with regard to Equal Employment Opportunity or Affirmative Action is encouraged to contact the Assistant Provost. Mr. Robert L. Gaylor, Assistant Provost, can be reached by writing to 215A Sutton Hall or calling Ext. 4466.

III. CAMPUS RULES AND REGULATIONS

A. GOVERNING IUP STUDENT BEHAVIOR

1. Automobile and Parking Regulations

A. Resident students are not permitted to bring automobiles or motorbikes to the campus with the exception of the following provisions:

1. Medical reasons
2. Work assignments requiring an automobile
3. Student teaching

B. A resident decal for your vehicle may be obtained upon written application to the Campus Police Office, First Floor, John Sutton Hall.

C. Parking violators will have vehicles ticketed and a fine of \$3 to \$5 assessed. A written request for a review of the ticket should be sent to the Campus Police within five days. If the fine is not paid, a traffic citation will be filed with the magistrate's court.

D. A copy of the regulations will indicate what parking lots can be utilized for parking. The following are for student areas:

RESIDENT STUDENT AREAS

1. Turnbull-Langham Lot
2. Stadium Lot — third row

COMMUTER STUDENT AREAS

1. Stadium lot beginning with the third row
2. Student Union lot
3. Railroad bed
4. Pratt Drive, from Maple Street to the end of the road
5. Shafer Hall lot (staff and commuter students — first come, first serve)
6. Stonewall lot
7. Foster Hall (unreserved)
8. Esch Lot

E. Visitor Areas

1. Reserved spaces in front of Clark Hall and Pratt Hall
2. Front of Student Union, Pratt Drive (metered spaces)

A copy of the regulations will indicate what parking lots can be used and also by signs.

2. Involuntary Withdrawal Policy

The University community occasionally faces the problems of students who pose a threat to themselves or others, who are unable to cope with their own needs, or who create a pattern of extreme disruption.

If such behavior constitutes a violation of University rules or regulations the case will be referred to the University Judicial System for action.

If the student's behavior occurs in the absence of any violation of rule or regulation, the Vice President for Student and University Affairs will investigate the situation and the effect of behavior on the student and the University community. The Vice President may require a personal interview with the student. If, as a result of this investigation, the Vice President determines that the student's withdrawal from campus may be necessary he/she will recommend withdrawal to the student. If the student will not withdraw voluntarily, the Vice President will appoint an Ad Hoc Committee to advise him/her in the disposition of the case. The Ad Hoc Committee will normally consist of the student's Dean or Department Chairperson, and a representative from both the Health Center and the Counseling and Student Development Center. Neither representative should have had direct professional contact with the student. The Ad Hoc Committee will recommend to the Vice President a course of action which may include involuntary withdrawal of the student from campus with conditions for readmission.

Students who leave the campus under the above conditions, either voluntarily or involuntarily, will be readmitted to the University only after being cleared by the Vice President for Student and University Affairs with concurrence of the Dean of the College enrolled. Permission for readmission will typically be based on the student's demonstrating a period of stable behavior outside the University and may require a statement from a physician, psychologist, or other qualified professional that the student is ready to return and cope with the stresses of University life. Conditions for follow-up services may be required as part of the readmission decision.

It is understood that involuntary withdrawal for a student from the campus will be undertaken only as a last resort. Every effort will be made to help the student understand the consequences of their behavior, make responsible decisions and develop skills that will allow them to function in the IUP community.

2. Students will, upon request, be given access to their educational records. Educational records mean those records, files, documents and other materials which contain information directly related to a student and are maintained by the University or by a person acting for the University. The term does not include records of instructional, supervisory, and administrative personnel and educational personnel ancillary there to which are in the said possession of the maker thereof and which are not accessible or revealed to any other person except an official substitute for the maker. A list of official student records may be obtained from the Vice President for Student and University Affairs.
3. Students who wish to see their records must make an appointment in advance with the proper official. The official must honor the request within five working days.
- 4 No evaluative materials may be removed from any University files by the student. A student is entitled to one copy or photostat of any material contained in their file. Any costs involved shall be the responsibility of the student.
5. The University official has the right to destroy "irrelevant, dated, defamatory, or unnecessary" evaluative or opinion records in the file. The official has wide authority to make such judgments with or without the consent of the student effected or the person who submitted the information. An exception is where a student's records have been communicated to a person outside the institution, e.g., a potential employer. In such cases, the student shall be given the opportunity to view and copy the information before it is destroyed.
6. Students will be permitted to insert a rebuttal concerning any material contained in their files.
7. A student may challenge the accuracy of material contained in his/her file. Once such a challenge is made in writing, it will be the responsibility of the University official in charge of the file to determine the validity of the challenge. The University official shall make a written request to the student's challenge specifying the action taken. Should a factual error be found in any materials, the University may submit a written appeal of the decision of the Vice President for Student and University Affairs within six calendar days. The Vice President will convene the University Judicial Board or a similar hearing body to review the appeal.
8. A University official may not release a student's record without the written consent of the student. The only exceptions to this guideline are those outlined in the Family Educational Rights and Privacy Act of 1974 which include:

The University may release this information upon request unless a student indicates some or all information should not be released. To exercise this right a student must notify the Registrar in writing, at the beginning of the fall term, of the information which is not to be released.

- B. Health and Safety Emergencies: Information may be released to appropriate parties if knowledge of the information is necessary to protect the health or safety of the student or other individuals.

Individuals are not prohibited from conducting their own private business unless they become a public nuisance in the course of the activities.

2. MINIMUM STANDARDS FOR SOCIAL GREEK-LETTER ORGANIZATIONS

A. INTRODUCTION

The two-hundred-year-old, tradition-rich social Greek-letter organizational system is uniquely qualified to contribute positively to the primary mission of colleges and universities in their role as educational institutions. A partnership therefore exists between social Greek-letter organizations and their host institution in promoting the personal, social, intellectual, cultural, physical and moral development of their members.

Indiana University of Pennsylvania (IUP) hereby reaffirms its support for and encouragement of the objectives and activities of its recognized social Greek-letter organizations. IUP also recognizes the unique character and history of each of these organizations and supports the rituals and traditions established by their national organizations.

The following standards for social Greek-letter organizations are designed to promote conduct consistent with the principles of sound business practices and responsible citizenship, and the stimulation of substantial intellectual achievement and leadership development. These standards are geared further to encourage a spirit of cooperation between social Greek-letter organizations and to assure all students of the opportunity for a sustaining and rewarding educational experience.

B. STANDARDS

1. Each organization must be a member in good standing of an appropriate coordinating body of IUP (i.e., Interfraternity Council, Panhellenic Council, or Black Pan Hellenic Council)
2. All organizations and individual members must be considered to be in good standing by their national organization, if so affiliated.
3. Each organization must have at least one contact per semester, either in writing or in person, with an official representative or its national organization, if so affiliated.
4. Each organization must maintain a group Q.P.A. of no less than 2.00 each semester. All members, including active, pledge/associate and affiliates, will be considered in calculating this average. This does not supersede more stringent requirements established for an organization by its national organization or its coordinating body; the higher Q.P.A. requirement must be met in such instances.
5. Each organization must have an advisor who is a member of the IUP faculty or staff.
6. Each organization must submit acceptable proof of an annual, written operating budget to the Office of Student Activities and Organizations at least thirty (30) days prior to the start of its fiscal year. Such proof will consist of a copy of the budget or a letter from the organization's faculty/staff advisor verifying the existence of the budget.
7. Chapter houses, suites and offices must conform with all fire, safety and health codes as established by state and local governments or by IUP, as appropriate, and by the applicable coordinating body.
8. Dumpsters and/or trash containers must be present at each chapter house to provide for adequate removal and storage of garbage and trash.
9. No trash, furniture or discarded items may be left overnight in the yard or on the roof of a chapter house.
10. Each organization will be held accountable and responsible for the action of groups affiliated or associated with it (e.g., pledges/associates, nationally-affiliated alumni, Little Brothers/Sisters, auxiliaries, interest groups).
11. All organizations must adhere to all state laws and IUP policies concerning alcohol possession, use, and consumption. It is the responsibility of each organization to become familiar with the applicable laws and policies and the specific provisions contained therein.
12. Each organization must conform with all policies regarding pledge education and hazing as established by IUP and by its national organization.
13. No mandatory pledge education event or activity may be scheduled when it would conflict with classes, test periods, required academic activities, or when it would violate the University hazing policy.
14. Violations of state and local laws by an organization will be considered to be violations of IUP policy and may be adjudicated by the appropriate hearing body.

C. HEARING PROCESS

The applicable coordinating body (i.e., Interfraternity Council, Panhellenic Council, Black Pan Hellenic Council) is expected to serve as the mediator for disputes among and between its member organizations and to enforce its own rules and regulations.

The Recognized Organization Review Board (RORB), however will hear all cases wherein a social Greek-letter organization is alleged to have violated IUP policy. In any such instance, the

president of the applicable coordinating body shall appoint a representative, one who is not directly affiliated with the organization against which the allegations have been brought, to serve as a voting member of the RORB for the duration of the particular hearing.

After appropriate notice of the specific infraction(s), and upon hearing all evidence, the RORB shall reach a decision and make its recommendations to the Vice President for Student and University Affairs, who will then reach a decision and so notify the organization against which the allegations have been filed. The organization shall then have five days to appeal this decision, in writing, to the Vice President for Student and University Affairs, before a final verdict is reached as to whether charges should be dismissed or whether such action in response to charges should be taken.

The organization against which an allegation has been filed may be represented by counsel and shall have an opportunity to file a written brief within five days after the hearing. A copy of the hearing transcript may be requested at the organization's cost.

D. EVALUATION

Each organization is responsible for complying with the minimum standards as established herein at all times. Any person or organization may file charges against an organization in accordance with the procedures of the applicable IUP policies.

The Office of Student Activities and Organizations will also evaluate compliance with the minimum standards on a regular and periodic basis, with a goal of a complete review no less than once every three academic years. A standing committee will be appointed by the Director of Student Activities and Organizations or his/her designee for the purpose of conducting this review and evaluation. Such committee shall consist of representatives from the applicable coordinating bodies, the Office of Student Activities and Organizations, and other interested individuals as deemed appropriate by the Director of Student Activities and Organizations.

The evaluation process is designed to identify organizational strengths and weaknesses while providing guidance in making desirable improvements. Upon completion of such a review, the standing committee will complete a report on the status of the organization, which may include recommendations for improvement in specified areas of organizational operations. A hearing will then be conducted by the standing committee in accordance with the guidelines established for the RORB, with any appeal directed to the Director of Student Activities and Organizations.

Based on a final report, an organization may then be presented with a set of recommendations, or "challenge guidelines," which address its specific needs, along with appropriate deadlines for attainment. The individual character and difficulties of each organization will be considered by the evaluation committee in developing these recommendations. Under normal circumstances, challenge guidelines would not be recommended for an organization that is in good standing with its coordinating body and with IUP. Assistance in achieving these goals will be provided by the Office of Student Activities and Organizations. Examples of such challenge guidelines include, but are not limited to, the following:

1. Each organization should provide evidence of significant service to the University and community. Such service can include, but is not to be limited to, such programs as community service projects, local or national philanthropies, and participation and leadership in non-Greek recognized campus organizations.
2. All organizations sponsoring events at which alcoholic beverages are served should be mindful that alcohol should not be the primary focus of any activity. The organization should recognize another individual's right to drink or not to drink and should avoid encouraging or reinforcing irresponsible behavior. Appropriate restrictions on such events may be assigned in the event such guidelines are violated.
3. The pledge education program of each organization should include demonstrable emphasis on academic achievement and should serve to enhance the education mission of IUP.
4. Each organization should have an alumni advisor who is an initiated member of the national organization.
5. Each organization should maintain a current listing of its alumni and their addresses. A publication to these alumni should be produced and distributed on a regular and periodic basis.

6. Each organization should establish an alumni organization, house corporation, or similar body in order to provide stability, managerial expertise, and financial support.
7. Each organization should limit its uncollectable debts to a sum no greater than 5% of its gross annual income.
8. Each organization should insure its facilities and property in reasonable amounts against loss by fire and theft, or have an appropriate self-insurance fund. They should also carry an appropriate amount of liability insurance for their members, pledges/associates and advisors.
9. All members who agree to live in a chapter house should sign a housing contract which defines the responsibility of a member to the organization, including, but not limited to, such provisions as rent payments and penalties for vacating a room before the end of the contract period.
10. A Capital Development Repair Fund ought to be maintained for all chapters, whether through the chapter, alumni organization, national headquarters or other appropriate group. Chapters which have off-campus houses should annually deposit an amount equal to at least 10 percent of their gross rental income into this account, which should be maintained separate from the chapter's operating account.

The person bringing the charge must report the case in writing to the Director of Student Activities and Organizations, or the Vice President for Student and University Affairs. Such incidents should be reported in a timely fashion and no later than thirty days after the occurrence of the incident if it is to be heard. If there are extenuating circumstances, a case reported later than thirty days may be heard if approved by the Vice President for Student and University Affairs.
- 4 The President of the recognized group and its advisor shall be informed in writing of the specific charges and given a minimum of five class days' notice prior to appearing before the Review Committee.
- 5 The notification of charges shall include but not be limited to the following information: the specific charge and person completing the charge, a brief summary of the facts constituting the charge, and the time and place of the hearing. Should a recognized group choose not to appear before the Review Committee, the case will be heard and adjudicated based upon the facts available.
- 6 All hearings are closed unless the groups requests an open hearing. However, the Chairperson may regulate access of spectators to the hearing
- 7 No hearings should be held during finals, breaks or a week before these times
- 8 A recognized group may challenge any member of the Review Committee prior to hearing the particular case. Upon hearing the details of the challenge, the Chairperson of the Committee will either uphold the challenge and/or appoint an alternate Committee member or deny the challenge.

C. Sanctions

The Review Committee may recommend that any or all of the following penalties be levied against an organization. These sanctions include the following:

1. Organizational privileges may be denied
2. Recognition status may be revoked
3. Organizations may be placed on probation for a length of time during which time certain or all privileges may be denied or organizations may be placed on suspension for a period of time during which all privileges will be denied.
4. Withdrawal of budget funds from Co-op may be recommended.
5. Restriction of social activities may be imposed
6. Financial restitution may be required
7. Community services may be required.

The Review Committee shall hear cases and make recommendations as to the sanction to the Vice President for Student and University Affairs. Upon receipt of the recommendation, the Vice President for Student and University Affairs shall review the recommendation and notify the recognized group of the decision.

D. Appeals

Upon receiving the results of a hearing the recognized group may appeal for the following reasons:

- 1 Denial of a fair and reasonable hearing

- 2 New evidence (only applies when there is acceptable reason to explain why the evidence could not be presented at the original hearing).
3. Excessively harsh or cruel sanction.

If a recognized group wishes to appeal, it must submit a written request with the reasons for the appeal to the Vice President for Student and University Affairs within six school days after the decision. The Vice President for Student and University Affairs will determine if there is sufficient reason for an appeal. If there is sufficient reason for the appeal, the case will be heard by a Committee chaired by the Vice President for Student and University Affairs and two SGA Rules members and two F-1 members. Members of the Recognized Organization Review Board who heard the original case may not serve as members of the Appeals Committee.

E Mediation of Disputes

The Board may act as a mediator in disputes between organizations and their advisor, upon request by either the officers or advisor.

The Board shall hear both sides of the dispute, and attempt to help the parties reach agreement. The Board may also make recommendations for a settlement to both parties.

The Board's recommendations shall be advisory only, unless both parties request in advance that the Board hear the dispute and render a binding recommendation.

5 SCHEDULING UNIVERSITY FACILITIES

The scheduling of all University facilities, with the following exceptions, will be made through the Office of the Associate Registrar, G-5 Sutton Hall (Ext. 2652 or 2653). EXCEPTIONS: Cogswell Auditorium (Call Chairperson, Music Department); Memorial Field and Zink Hall (Call Assistant Athletic Director), Ackerman 110 (Call Dean, College of Home Economics); Pierce Hall (Call Chairperson, Department of Military Science); Room 306, 311, 312, 313 Pratt Hall (Call Admissions Office, Ext. 2230), Sutton Hall Board Room and Private Dining Room, Foster Hall (Call President's Office, Ext. 2200)

NOTE. THE SCHEDULING CENTER IS RESPONSIBLE FOR SCHEDULING FACILITIES ONLY. IF YOU INTEND TO USE A FACILITY FOR AN EVENT REQUIRING A SPECIAL SET-UP (CHAIRS, LECTERN, SOUND SYSTEM, TABLES, ETC.) YOU MUST ARRANGE FOR THE SET-UP WITH MAINTENANCE OFFICE IN EICHER HALL. DETERMINE THE TIME THEY WILL NEED BEFORE AND AFTER YOUR EVENT FOR SET-UP AND CLEAN-UP AND BE SURE YOUR FACILITY IS RESERVED FOR THIS PERIOD AS WELL AS FOR THE EVENT. IF YOUR EVENT WILL INCLUDE FOOD SERVICE, YOU ARE RESPONSIBLE FOR MAKING THESE ARRANGEMENTS WITH THE FRESHIE COMPANY.

University Groups

- 1 Schools, departments, and other University agencies will generally have priority for scheduling activities located in the buildings that were constructed primarily for their use. However, the University reserves the right to schedule use of facilities in a manner which best serves the interests of the entire University community. The Scheduling Center will have the authority to schedule other activities in those facilities in remaining time slots after the requesting bodies have formulated their schedule of use.
- 2 The Scheduling Center will consider only requests from groups or organizations officially recognized by the University. Such requests should bear the signature of the organization's advisor. When approval is granted, it is given with the understanding that the activity will be carefully supervised by the advisor and other representatives of the organization. The advisor and the organization will be responsible for control of the activities, for any damages to the facility, and for costs to provide adequate custodial and security support when required.
3. To the maximum extent feasible, users should submit their requests for the use of buildings and facilities to the Scheduling Center **prior to** the beginning of each fall, spring, and summer session. In order to handle maintenance requirements within a workable time frame, requests for the Blue Room must be submitted **ten** (10) working days prior to the event and for other facilities no later than **three** (3) working days prior to the scheduled event. If your event is canceled, please notify the Scheduling Center immediately.

4. Academic use, i.e., scheduling courses and examinations, shall be given first priority in facility scheduling.
5. Activities which have normally occurred at the University on a regular basis and are open to the entire academic community shall receive priority over other events.
6. Activities should normally be scheduled into the kind of facilities for which they are constructed. Auditoriums such as McVitty, Cogswell and Beard, are to be scheduled on a priority basis with academic functions being considered first. Pratt Auditorium was developed partly for other University activities and these would be given top priority there.
7. The University has several unique facilities in John Sutton Hall: The Blue Room, The East Parlor and the Gorell Recital Hall. Since an event in one facility could disrupt an event in the other, scheduling any one of them must be handled through the Scheduling Center.

The Blue Room

The Blue Room is intended to be used for receptions, dinners, dances, speakers, seminars, small group events, parties, formal presentations, small concerts and other prestigious entertainments. Priority in scheduling the Blue Room will be given to events which include or benefit a cross-section of the University community.

Requests to schedule the Blue Room will be considered on the basis of the following guidelines:

- A. A complete description of the planned event including time needed for set-up, for actual event and for clean-up should be provided to the scheduling office when a request is made to utilize the Blue Room.
- B. Events held in the Blue Room must be directly supervised by the group advisor and/or the individual who is sponsoring the event.
- C. All requests for special seating arrangements and other set-ups for an event must be made through the maintenance office at least **ten** (10) working days before the event.
- D. All requests for food service should be made with The Freshie Company at least **ten** (10) working days before the event.
- E. Any individual or group utilizing the Blue Room must adhere to the regulations governing the use of campus facilities by groups. In addition, no smoking is permitted in the Blue Room at any time.
- F. Requests from non-University groups will be considered only after attempts to schedule the events in some other University facility has failed. Fees are charged to non-University groups for the use of the facilities.
- G. It is the responsibility of the scheduling officer to examine the requests for scheduling the Blue Room. Efforts will be made to prevent a scheduled Gorell Hall event from disrupting an event in the Blue Room and vice versa. If there is a question regarding the appropriateness of the event, the request will be forwarded to the Associate Provost and to the Vice President for Finance who will make a determination as to the appropriateness of holding the described event in the Blue Room.

The East Parlor

The East Parlor is suitable for use for teas or small (less than 30 persons) receptions. Priority will be given to Alumni events for both campus and off-campus groups; however the room will also be available for other appropriate events. The East Parlor should be scheduled through the Scheduling Office. Approval is contingent on Alumni Office approval.

The Gorell Recital Hall

The Gorell Recital Hall is designed primarily for music activities. It is University policy normally to schedule activities into the kind of facilities for which they are constructed; therefore, first preference in scheduling the Hall will be given to the Music Department for such activities as concerts and recitals.

Second priority for scheduling the facility will be given to the Theater Department for theatrical productions. The Music and Theater Departments will meet with the Scheduling Officer in the Spring to schedule dates for the following academic year.

A third priority will be given to events that can be complemented by the use of the Blue Room.

Requests to schedule Gorell Hall will be considered on the basis of the following guidelines:

- A. All requests to schedule the Gorell Recital Hall shall be processed through the Scheduling Center.
- B. A complete description of the planned event shall be provided to the Scheduling Center when a request is made to utilize the Hall.
- C. Activities held in the Hall must be directly supervised by the group advisor and/or the individual who is sponsoring the activity.
- D. Any individual or group utilizing the Hall must adhere to the regulations governing the use of campus facilities by groups. In addition, no smoking, food or beverages will be permitted in the Hall at any time.
- E. Requests for non-University groups will be considered only after attempts to schedule the events in some other University facility has failed. Fees are charged to non-University groups for the use of the facilities.
- F. It is the responsibility of the Scheduling Officer to examine the requests for scheduling the Recital Hall. If there is a question regarding the appropriateness of the event, the requests will be forwarded to the Associate Provost and to the Vice President for Finance who will make a determination as to the appropriateness of holding the described event in the Hall.

Non-academic semester reservations and meetings should be held in regular classrooms whenever possible.

8. If any University person or group requests a facility for an activity (for example, a regional, state or national conference) this request must receive the approval of the Assistant to the Vice President and Director of Conferences before processing by the Scheduling Center.
9. Social and cultural activities will generally be scheduled on a first-come, first-served basis. The Scheduling Center will have the authority to schedule an activity into a facility which it deems most appropriate for such activity. Requests of this nature should normally be submitted to the Scheduling Center no later than the first day of the fall, spring, and summer sessions. Other requests will be considered according to the availability of space.

Student organizations who charge an admission fee or requests a donation must secure authorization from the Director of Student Activities and Organizations at least three weeks prior to the event in order to confirm the reservation for a facility

10. A University person or group may not act as a sponsor for a non-University organization for the purpose of avoiding the fee payment as outlined on the charge list for non-University users. Any known violation of this policy will result in a post fee assessment for such use.
11. The University reserves the right to disallow the use or reuse of a facility if it is abused.
12. In order to partially defray overhead costs, the University will assess a charge of 25% of the facility usage fee. This charge will be assessed only when a University group utilizes the facility for a fund-raising activity of a non-academic nature.

6. SOCIAL EVENTS SPONSORED BY ORGANIZATIONS

- A. All parties sponsored by student organizations should be registered on the IUP Calendar.
- B. No intoxicating beverages may be served at any time in campus facilities, the Student Union, or the University Lodge. Persons who are under the influence of such beverages will not be permitted to remain on the premises.
- C. The sponsoring organizations bear the responsibility for the observance of the previous regulations.

7. HAZING

The use of hazing in all social organizations at IUP is prohibited. The University adheres to the definition of hazing as defined in the College Fraternity Association statement on hazing and pre-initiation activities.

"The University defines hazing as any action taken or situation created, whether on or off the University premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule

Such activities and situations including paddling in any form, creation of excessive fatigue, physical and psychological shocks, quests, treasure hunts, scavenger hunts, road trips, or any other such activities carried on outside the confines of the house; wearing publicly, apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery, morally degrading or humiliating games and activities, late work sessions which interfere with scholastic activities, and other activities which are not consistent with the regulations and policies of the education institution "

D. GOVERNING STUDENT CO-OP

1 CO-OP RECREATIONAL PARK

A. A facility owned by the Student Cooperative Association.

B. Members of the Association, recognized campus organizations and the University have priority for scheduling University activities located at the Co-op Park. Non-Association individual and groups may schedule facilities, on a lowest priority basis, if such use does not conflict with Association concerning utilization of its facilities.

Association members may schedule the Lodge for private events on a reduced fee basis.

Any individual on the property at any time must be able to provide appropriate identification in the form of an I-card or a permit.

Reservation forms and detailed policies for use of the Co-op Park may be obtained at the Co-op office of the Student Union Building.

2. I-CARDS

A. The I-card serves as identification while at Indiana University of Pennsylvania and should be shown on demand to any regular representative of the University or the Student Cooperative Association. It is used for checking books out of the library, for cashing checks at the Student Union Bank, for using facilities, or checking out recreational equipment at the Union or the Field House, for admission to all Student Co-op events, and payment of fees at the Business Office.

B. The Co-op Store requires the presentation of your I-card when paying for purchases by check, when selling books back to the store, and when returning merchandise for refund or exchange.

C. You should be careful of the I-card and report its loss at once to the Student Union Service Desk. Alteration or misuse of the card, or loaning it to someone else for any purpose, will subject both the user and the lender to fines up to \$25 and other disciplinary action.

D. Students who withdraw from the University during any term will be required to turn their I-card into the Student Cooperative Association Office.

E. The I-card must be revalidated for each semester. If a change in status requires a change in the I-card it must be turned in and replaced for a fee of \$2. Damaged cards may be turned in and replaced for a fee of \$2. New I-cards are issued for each year beginning with the fall term. Lost I-cards will be replaced for a fee of \$10.

3. STUDENT CO-OP TRANSPORTATION POOL

The Student Cooperative Association Transportation Pool operates under the following regulations:

2. Other things being equal, longer and overnight trips will take precedence over local use.
3. The principle of least cost to the Student Co-op will be maintained.
4. Other things being equal, the earlier reservation will have precedence over a latter one.

5. Emergency or pressing needs of the Student Co-op may at times require the alterations of these priorities.
6. Groups may be limited to a maximum of one vehicle per trip.
7. All drivers of Co-op vehicles must have attended a Defensive Driving Course.
8. Any driver who has had an accident with a Co-op vehicle, through his own negligence, or who is accountable for the accident, will not be allowed to drive these vehicles for a complete semester.
9. Weather conditions: Trips may be cancelled by the Student Co-op in case of dangerous weather.
10. The Student Co-op reserves the right to put mileage limitations on groups.

INELIGIBILITY FOR USE

1. The cars are not available for personal use. They may be used only for official organization or Student Co-op business.
2. No faculty or University staff member may use one of the vehicles unless he/she has been specifically requested to travel on Student Co-op business by the Association or is traveling as advisor to a student group. Such person should use state vehicles for official use.

4. THE STUDENT UNION

The following regulations apply to the Union, its branches, and their premises:

IV. JUDICIAL SYSTEM

A. INTRODUCTION

Indiana University of Pennsylvania (IUP) is an academic community within the society at large. As a community within a larger society, it has formulated a code of standards and expectations which the University considers to be consistent with its purpose as an educational institution. IUP reaffirms the principle of student freedom coupled with an acceptance of full responsibility for individuals actions and the consequences of such action. A student as a member of the academic community and of the larger society retains the rights, protections, guarantees and responsibilities which are held by all citizens.

The judicial system of IUP exists to review all alleged violations of University regulations and/or federal, state and local ordinances. The primary intent of this system is an educational one. It seeks to create behavioral change in the student while also protecting the rights of the members of the University community. The system will hold the student accountable for his/her actions when regulations or statutes have been violated.

B. STRUCTURE

The judicial system consists of the following structure:

- A. Hearing Officers (Residence Life staff members and/or University hearing officers) designated by the Vice President for Student and University Affairs.
- B. The Indiana University of Pennsylvania Judicial Board (IUP JB). Both hearing officers and the IUP JB have full delegated authority from the President for adjudicating student disciplinary cases. In addition, the IUP JB serves as the primary appeals board for the judicial system. The board consists of three faculty and/or administration members and three students in addition to the Vice President for Student and University Affairs or his/ her designee who is the Chairperson of the IUP JB.

A pool of prospective board members is randomly selected from the faculty/ administration and student directories. From this random pool, three student members, three alternates, three faculty/administrative members and three alternates will be contacted and asked to serve as members of the Board. If they decline, other members will be chosen on a random basis until all positions are filled. Each member will serve two calendar years. Terms will be staggered to assure continuity. In cases where it is inconvenient for the IUP JB to convene, the Vice President for Student and University Affairs will have the authority to establish an interim board to expedite adjudication of student disciplinary cases.

When alleged violations of federal, state and/or local ordinances or University rules (as outlined in the Eye, the official student handbook, or the housing contract) occur in a University residence hall, a student's case is adjudicated by a designated hearing officer. In all instances, the student has the right to appeal his/ her case to the IUP JB. A hearing officer may refer a case to another University hearing officer or the IUP JB if they believe an impartial hearing cannot be granted or if the case is judged to seriously jeopardize the student's status. All cases in which suspension or expulsion from the University is possible must be referred to the IUP JB.

Cases involving off-campus students or incidents being referred from the University community will be heard by a hearing officer unless suspension or expulsion from the University is a possibility. The hearing officer will not exceed the penalty guidelines as defined by the decisions and sanctions section. Students called before a hearing officer can appeal the hearing officer's decision to the IUP JB. The referring party may also appeal the decision to the IUP JB if they believe a fair hearing has not occurred or the action taken was not fair or just.

Appeals of IUP JB decisions must be filed with the Vice President for Student Affairs or his/ her designee within six class days. The Vice President for Student and University Affairs will review the appeals and determine if there is a basis for the appeal. If it is determined that an appeal should be heard, a judicial board appeal committee of three faculty or administrative members and two students shall be convened to review the appeal and make a decision. One faculty or administrative member shall chair the committee. The Vice President for Student and University Affairs shall name the committee.

C. JUDICIARY GUIDELINES

- 1 Charges of a violation as identified in the Eye or the housing contract or of a federal, state or local ordinance can originate from any member of the University community. The person bringing the charges must report in writing the case to the Vice President for Student and University Affairs or designated officer within five days of the incident unless justifiable circumstances make such notifications impossible or impractical. A hearing officer will make the final determination as to whether a late notification was justified; if not, the case will be dropped.
- 2 The student accused of a violation shall be informed in writing of the specific charge and given a three class days notice prior to appearing before a Hearing Officer of the IUP JB.
- 3 The notification of charges against the student shall include but not be limited to the following information: The specific charge and person completing the referral, a brief summary of the facts constituting the charge, the time and place of the hearing, and a notification to the student of his/her right to select an advisor. It is the Hearing Officer's duty to inform the student of his opportunity to appeal.
- 4 No member of the IUP JB may sit in judgment of his/her own case.
- 5 No student shall be compelled to be a witness against himself/herself.
- 6 The student may select an advisor to advise him/her at judicial proceedings. The advisor may communicate with his/her advisee during the hearing. The advisor may directly address the IUP JB or a Hearing Officer only at the request of the IUP JB or the Hearing Officer.
- 7 In all proceedings, the accused student shall have his/her case adjudicated as quickly as possible by an impartial judiciary and to be confronted with any witness against him/her. The student shall also have the opportunity to call relevant favorable witnesses to appear on his/her behalf.
- 8 The student shall be considered innocent until judged otherwise, be judged as an individual not as a member of a group and receive the rationale for the decision of the judiciary.
- 9 Should a student choose not to appear before either a University Hearing Officer or the IUP JB, his/her case will be adjudicated.
- 10 All hearings are closed unless the student requests an open hearing, but the Chairperson may regulate access of spectators to the hearing.
- 11 A student may challenge the Hearing Officer prior to hearing his/her particular case. Upon hearing the details of the challenge, the Vice President for Student and University Affairs will either uphold the challenge and appoint an alternate Hearing Officer or deny the challenge.
- 12 Any student appearing before the IUP JB may challenge any member of the IUP JB sitting in judgment of his/her particular case. Upon hearing the details of the challenge the IUP JB will, by majority vote (challenged member not voting) either uphold the challenge and appoint an alternate member or deny the challenge. Board members will withdraw from sitting in on the IUP JB hearing of any case in which the member feels that he/she could not reach a fair and objective decision.
- 13 All IUP JB members are obligated to attend the entire hearing. Any member who is absent from a session will be replaced by an alternate who has been present for the entire hearing.

D. SUMMARY SUSPENSION

In all cases where the final action on civil or criminal charges is pending or there appears to exist a clear and present danger to the student or other members of the University community, the status of the student will be determined as follows:

1. Subject to prompt review, the Vice President for Student and University Affairs or the President may summarily suspend a student from the University when in his/her best judgment such action is necessary for protecting the safety and welfare of the University community and/or the suspended student.
2. Within 48 hours of the issuance of the suspension, the Vice President for Student and University Affairs or the President will convene the IUP JB to review the circumstances of the suspension.
3. The IUP JB will then either continue the suspension or take other action based upon its determination at the hearing.

If the suspension is not upheld, the student will immediately be reinstated and will be given the opportunity to make up work missed during the suspension. It is the responsibility of the student to make arrangements with the faculty member for make-up work. The burden of proof when summary questions are authorized lies with the University and not the student.

E. MEMBERSHIP AND DUTIES OF IUP JUDICIAL BOARD

1. Chairperson

- A. Educates and trains members of the IUP JB concerning the philosophy and procedures of the IUP Judicial System.

 - B. Intentional misrepresentation of fact.
- 5. Sanction(s) which may be imposed by the IUP JB, University Hearing Officers, or designated Residence Life Staff Members include:
 - A. **An agreement for Behavior Change:** Failure on a student's part to honor a commitment to alter an inappropriate behavioral pattern will be cause for a referral to the IUP JB as a second offense.
 - B. **Letter of Warning:** A warning letter may be sent to the student indicating that he/she has been found guilty of violating an IUP regulation and that failure to comply with IUP regulations in the future may result in referral to the IUP JB to be handled as second offense.
 - C. **Campus Community Service:** The student may be required to complete appropriate community service.
 - D. **Disciplinary Probation:** Disciplinary probation, which is for a specific period of time, is an indication that a student's status at the University is seriously jeopardized. During the probationary period, if the student is found guilty of another offense, suspension for at least one semester may result.
 - E. **Disciplinary Removal from the Residence Hall:** This sanction removes the student from University operated residence halls on either a temporary or permanent basis. G. **Restitution:** In cases where damage to personal or University property is involved, restitution may be attached to any of the above sanctions.

H. **A Letter to Parents or Legal Guardian:** The student's parents or legal guardians shall receive a copy of the IUP JB decision. This shall not apply if the student is 21 years of age or older or the student presents documentation to demonstrate independence (as defined in section 152 or Internal Revenue Code).

6. Additional sanction(s) which may be imposed by the IUP JB only (can be recommended to the IUP JB by the University Hearing Officers):

A. **Suspension:** The IUP JB may suspend a student for a specific period of time not to be less than the remainder of the current semester. Suspension requires that a student remove himself/herself from the University premises and not attend classes, social activities, or be present on University or Student Cooperative property during the period of suspension.

B. **Expulsion:** In a very serious case, or when a student appears before the board after having already been suspended, the IUP JB may recommend to the President or designee that the student be expelled from the institution. Expulsion differs from suspension in that suspension is for a specific period of time whereas expulsion is permanent.

7. Sanctions listed above do not limit the IUP JB or Hearing Officers to the use of these sanctions exclusively. It may impose any reasonable sanction for a given offense.

1. Violations of academic policy

2. IUP rules and regulations, the housing contract and alleged violations of local, state and federal ordinances.

C. Excessively harsh or cruel sanctions

2. Procedure for appeal:

A. Student must present a written request with the reason(s) for appeal to the Vice President for Student and University Affairs within six school days after the decision.

B. The Vice President for Student and University Affairs may direct the appeal to be heard by either the IUP JB or the Judicial Board Appeal Committee.

3. The appellate bodies may reserve the original decision, sustain the decision, lessen the severity of the sanction, or recommend that the case be reheard.

I. BRANCH CAMPUSES

Each branch campus shall establish a judicial system to the approval of the Vice President for Student and University Affairs and the President which is consistent with the principles and structure of this judicial system.

J. ACADEMIC VIOLATIONS POLICY

- b. Intentionally evading of academic policies or procedures.
- c. Plagiarizing
- d. Possessing or obtaining an examination without the instructor's authority or prior knowledge.

The instructor must file a written report of the violation with the Vice President for Student and University Affairs within five (5) class or work days of the violation. The instructor should also send a copy to the student. The report should be submitted on a form available in each departmental office and must include the following: name of student involved, course, instructor, date and time; circumstances and supportive data and sanction recommended.

In instances involving a violation of academic policy, or where final action on civil or criminal charges is pending, the Vice President for Student and University Affairs or the President may summarily suspend a student consistent with the procedures outlined in ***The Eye***, the student handbook.

The Vice President for Student and University Affairs or designee will formally notify the student of the allegation and the recommended sanction.

If the student disagrees with the sanction recommended, the following procedure will be followed:

1. Within six (6) class or work days of receipt of the Vice President's notification, the student must request a conference with the Chairperson of the Department. The student and instructor involved will meet with the Chairperson and conduct a hearing on the allegation. The Chairperson may uphold the sanction imposed by the instructor or reduce it. Within five (5) class or work days of the hearing, the Chairperson must forward a written report of his/her decision concerning the case to the student, the instructor involved and the Vice President for Student and University Affairs. Failure to forward a written report within the time period indicates the Chairperson's affirmation of the sanction recommended by the instructor.
2. Within six (6) class or work days of the receipt of the Chairperson's report, the student may appeal to the Vice President for Student and University Affairs in writing.
3. If the Chairperson decreases the sanction originally recommended by the instructor, the instructor may appeal the Chairperson's ruling to the Vice President for Student and University Affairs within six (6) class or work days of the receipt of the Chairperson's report.
4. If an appeal is filed, the Vice President for Student and University Affairs or his/her designee shall convene the University Judicial Board to hear the appeal. The UJB may accept the instructor's sanction; accept the Chairperson's ruling; reduce or nullify the sanction so far recommended or send the case back to the Chairperson for reconsideration along with recommendations.

The UJB may NOT increase the sanction originally recommended by the instructor. Within five (5) class or work days of the hearing, the UJB must send a written report of its decision to the student and the instructor involved. The decision is deemed final and will be implemented by the Vice President for Student and University Affairs.

If the student does not appeal the instructor's recommended sanction within six (6) class or work days, it shall be automatically invoked. Failure to appeal the decision constitutes a waiver of the right to a hearing.

Appeal of the deadlines established above may be made by either party to the Vice President for Student and University Affairs

If a faculty member chooses not to file a formal academic violation report, it is recommended that he/she complete a statement that summarizes the conference which led to resolution and agreement of sanction with signatures by both parties and copies for both the student and faculty records. No academic violation report is then made, but if a student appeals at a later time, the faculty member may then file the formal academic violation report.

Approved — University Senate, May 1981. President John E. Worthen, May 1982.

V. SUMMARY OF INDIANA BOROUGH ORDINANCES AND STATE LAWS

A. GENERAL STATEMENT

Students are expected, as citizens, to abide by the laws and regulations of the Borough of Indiana and the Commonwealth of Pennsylvania in addition to the rules of the University. It is hoped that the following information concerning certain important borough ordinances and state laws dealing with personal conduct will make students aware of these relevant regulations.

Since 1972 the Pennsylvania Legislature has enacted a variety of laws lowering the legal age of the majority from 21 to 18. These changes are of great importance to IUP students since many of them are in the 18 through 20 age group.

The definition of a minor in the Pennsylvania rules of Court has also been changed to read "an individual under the age of eighteen years." With the exception of the drinking age, an 18 year old in Pennsylvania is a legal adult

B. LOCAL TAXES

1. WAGE TAX

A tax of 1% of gross income is assessed against all persons working in Indiana Borough and White Township. This tax is normally withheld by the employer.

2. OCCUPATIONAL PRIVILEGE TAX

Indiana Borough assesses all persons earning income in Indiana Borough with an Occupational Privilege Tax of \$10 per year.

3. OCCUPATION TAX

Local School District in Indiana County tax occupation by classification (i.e., professionals, clerks, laborer, etc.). The occupational rating is then multiplied by the applicable mileage to determine the amount of tax due. Indiana School District mileage is 383. Presently students are rated zero

Taxes on ownership of real estate are imposed annually by local government units, as are taxes on ownership of certain personal property such as stocks and bonds.

Application may be made at the local taxing entity for exoneration from these local taxes on the basis of non-residence, advanced age and poverty.

A person is guilty of a misdemeanor of the third degree if he or she being under the age of 21 years knowingly and falsely represents himself to be 21 years of age to any licensed dealer or other person for the purpose of procuring or having furnished to him or her any intoxicating liquors. Maximum penalties: \$2,500 fine and/or 1 year in jail.

A person is guilty of a summary offense if he or she being less than 21 years of age, attempts to

purchase, purchases, consumes, possesses or transports any alcohol, liquor or malt beverages. The State Liquor Control Board operates under state laws. Under these laws it is a misdemeanor to unlawfully transfer a registration card for the purpose of falsifying age to secure malt or alcoholic beverages. Also it is a misdemeanor for any person to sell, furnish, or give to any minor under 21 years of age any malt or alcoholic liquor. Penalty: \$100 to \$300 fine or three months in jail.

DRUGS AND NARCOTICS

In June 1972, Pennsylvania adopted the Uniform Controlled Substance, Drug, Device and Cosmetic Act. This act liberalized the Pennsylvania law in the field of drugs and narcotics and in many respects reduced the penalties for violations of the new law in this field. The new law has reduced many drug violations to the class of misdemeanor. One of the major exceptions is the distribution of the drugs by a person over 21 years of age to a person under 18 years of age, who is at least four years his junior. This violation is the most heavily punishable under the act.

The act provides that the possession of a small amount of marijuana only for personal use; or possession of a small amount with intent to distribute but not to sell; or the distribution of a small amount but not for sale, carries a maximum sentence of thirty (30) days and a maximum fine of \$500. A small amount is defined as thirty (30) grams of marijuana or less; or (8) grams of hashish.

Furthermore, the act provides that first offenders may receive probation without verdict and if the probation conditions are satisfactorily carried out the proceedings will be dismissed. Also, if this procedure is used, the record of arrest and prosecution will be erased from the record.

RETAIL THEFT (SHOPLIFTING)

Any person committing the first offense of retail theft when the value of the merchandise is less than \$100 is guilty of a summary offense. Maximum penalties: \$300 fine and/or 90 days in jail.

Upon conviction of a second offense when the value of the merchandise is less than \$100, the person shall be guilty of a misdemeanor of the second degree. Maximum penalties: \$5,000 and/or 2 years in jail.

Upon commission of a third or any subsequent offense, regardless of the value of the merchandise, the person shall be guilty of a misdemeanor of the first degree. Maximum penalties: \$10,000 and/or 5 years in jail.

When the value of the merchandise shall be \$100 or more, any person who shall commit the offense or retail theft whether the same shall be a first or subsequent offense, shall be guilty of a misdemeanor of the first degree. Maximum penalties: \$10,000 and/or 5 years in jail.

E. TYPES OF PROSECUTION

Violations of laws and ordinances are prosecuted under three classifications.

SUMMARY OFFENSES

Nearly all Borough ordinances come under the Summary Offense classification. Many can be cleared up within 48-hours by paying a fine and costs at the Municipal Building. Most moving vehicle violations and others not cleared in the 48-hour period are processed by a magistrate. State law requires him to add costs to the penalty and determines the size of the cost to be added.

Examples of summary offenses are most types of disorderly conduct, violations of the Motor Vehicle Code and shoplifting.

MISDEMEANOR

The State Crimes Code provides for the three degrees of misdemeanors. The degree determines the maximum sentence and fine which may be imposed upon conviction and therefore, the seriousness of the crime. A defendant charged with a misdemeanor is afforded the same procedural safeguards

as a defendant charged with a felony. The case will be heard by a magistrate at a preliminary hearing. If a prima facie case is shown by the commonwealth then it will be sent for trial and will then be heard by a judge either with or without a jury at the option of the defendant.

Examples: Driving under the influence of alcohol, driving during suspension of operator's license, furnishing liquor to a minor.

FELONY

Cases involving crimes of the most serious nature are denoted as felonies. There are three grades of felonies in Pennsylvania. The degree determines the maximum sentence and fine which may be imposed upon conviction. A defendant charged with a felony will have his/her case heard by a magistrate at a preliminary hearing. If a prima facie case is shown by the Commonwealth then the case is sent to trial and will be heard by a judge either with or without a jury at the option of the defendant.

Example: Murder, rape, arson, burglary, theft and forgery.

F BAIL BOND PROGRAM

In order to help arrested IUP students post bond without delay the Student Government Association (SGA) with approval from the University Senate and the Board of Trustees, has deposited \$5,000 in a Bail Bond Account.

Indiana, Armstrong and Jefferson county judges have instructed their respective Magistrates to contact the following persons: Vice President for Student and University Affairs; Director, Housing and Residence Life; Director, Student Activities and Organizations; Executive Director, Student Cooperative Association whenever an IUP student is arraigned before them. Upon determining that the student is in good standing, the bond fund administrator may authorize release of the student. The bond is held by the Magistrate until the preliminary hearing (three to ten days later) at which time it will be returned. If a student is bound over for court he/she will have to post full bond at the time or be incarcerated.

Most Indiana, Punxsutawney and Kittanning attorneys will accept IUP students as clients. If a student feels he cannot afford an attorney, public defender assistance is available for all misdemeanors and felonies.
